RE: March 2010 Monthly Report

During the month of March the West Lafayette Police Department received **1595 calls for service**, an increase of 29 calls (2%) from February, and a decrease of 15 calls (1%) from March 2009.

In March the police department launched a monthly drug drop off program. The program is designed to provide an environmentally friendly drug disposal service to the community free of charge. The department will accept all legal drugs on the second Tuesday of every month 11:30am – 1:30pm in the lobby of the police station. The next scheduled drop off day is April 13<sup>th</sup>. The public is encouraged to contact Ofc. Janet Shepherd with questions.

The West Lafayette Police and Fire departments partnered with the Red Cross to conduct a county wide disaster drill at Westminster Village in March. The drill helped prepare area agencies for a coordinated response to any disaster that may affect Tippecanoe County.

This past month the WLPD participated in the Community Standards Panel for Fraternity/Sorority Life in preparation for the Grand Prix in April. WLPD joined PUPD and State Excise Police in providing a forum for students to ask questions about alcohol laws and public safety as these issues relate to the upcoming event.

Respectfully submitted,
